

Team Manager/Team Parent Checklist:

In a 3-ring binder with plastic sleeves for each player and coach, keep the following documentation:

Player:

1. Birth Certificate
2. Signed Code of Conduct form
3. Signed Consent to Treat form

Coach:

1. Signed Code of Conduct form
2. Signed Consent to Treat form
3. Copy of coaching card ~ front and back

Also in the binder should be a copy of the signed T-1 (roster) form. Travel teams require the signature of the District Registrar obtained by the local Registrar. Each player must sign the T-1 and each coach must initial the T-1. House and Snowbelt teams are not required to have the District Registrar's signature. Copies of all game sheets should also be kept in the binder.

This binder needs to be taken to EVERY game. If the team manager/parent cannot be at the game, someone else must bring the binder. This is proof of each team, player and coaches' eligibility requirements to play in their respective games and year-end tournaments.
